PRAYER FOR OCTOBER BY CHAPLAIN, MRS. A. PATRICK DOHERTY:

Dear Good Blessed Father, we ask Your Divine Guidance and Your Power as we begin this year anew. Amen.

PRESIDENT'S MESSAGE

What a lovely party our "Fashorama" was! My deepest gratitude to Arlynn Miller and Mary Lynch and their Committee for making it such a beautiful and financial success.

I know that you will all be pleased to learn that last year there was talk of our school become a "model" school and this year it was accomplished. There is now an enrollment of 71 full time students and 29 part time or in the Infant-Parent Group. Our youngest student in this group is 18 months old.

By being a part of the Nova University group our students are now mainstreaming with the Nova School students in athletic and music classes.

Love,
Betty
